

Bring Me Home

Kelly Carpenter

Verse 1

D **Bm** **G** **D**
I've been out there, trying to go it alone
D **Bm** **G** **Asus7**
Working hard just to make it all on my own
D **Bm** **G** **D**
But now I'm missing this love I have known
D **Bm** **G** **Asus7 D**
So Father God, won't you bring me home

Chorus

D **Bm** **G** **D**
Bring me home, won't you bring me home
D **Bm** **G** **Asus7**
I hear you calling me to come back home
D **D/F#** **G** **D**
I've had enough of being scared and alone
D **Bm** **G** **Asus7 D**
So Father God, won't you bring me home

Verse 2

Trying hard to fill that hole in my soul
Thinking things will be better if I'm in control
Can't find any peace no matter where I roam
I know it's time for me to come back home

Verse 3

Only you can make sense of this life
Only you can bring peace into my strife
Only you can make a diamond out of stone
I'll remember who I am when I get home
