

Healing Hand Of God

Words and Music by **Jeremy Camp**

Key - E

Verse 1

I have seen the many faces of fear and of pain
I have watched the tears fall plenty from heartache and strain
So if life's journey has you weary and a-fraid
There's rest in the shadow of His wings

Verse 2

I have walked through the valleys the mountains and plains
I have held the hand of freedom that washes all my stains
If you feel the weight of man-y trials and burdens from this world
There's freedom in the shelter of the Lord

Chorus

I have seen the healing hand of God
Reaching out and mending broken hearts
Taste and see the fullness of His peace
And hold on to what's bein' held out
The healing hand of God
