The Light In Me - 2

Verse 2

C
You are the Maker
Am7 **F**
You tell the sun when to rise
I'm just a house on a hill
But You make me brighter
Am7 **F**
Than all the stars in the sky
Keep me from growing dim
'Cause in Your per-fec-tion I'm just a re-flec-tion
So pull me closer to You
I'll catch like a fire and I'll hold You higher

Bridge

F **Am** **C**
I'll raise it high I'll let it show
From the roof tops down to the streets be-low
In day and night You will be known
And all will see You put the light in me

Instrumental

C **Am7** **F**
